PUBLIC HEARING NOTICE

The Town of Pamplin will hold a public hearing on April 7, 1981 and on April 21, 1981 at 8:00 p.m. at the Pamplin Town Hall for the purpose of hearing written and oral comments from the public concerning the proposed annual budget for fiscal year 1981-82 and the use of Revenue Sharing funds as contained in that proposed budget, summarized below.

General revenue sharing (GRS) is a program of general fiscal support from the federal government to state and local governments with only limited federal requirements about how the money should be spent. Decisions oh the use of these funds are made at the local level by the government and people closest to local problems. The revenue sharing regulations require a hearing on the proposed use of these funds in relation to the overall budget before the budget is adopted each year.

All interested citizens, groups, senior citizens and organizations representing the interest of senior citizens are encouraged to attend and to submit comments.

A copy of this information, the entire proposed budget and additional background materials are available for public inspection on Wednesday afternoon of each week at the Pamplin Town Office.

50. Memoriams

In loving memory of Mr. Adolphus R. Cyrus who passed away 18 years ago March 23, 1981.
It broke our hearts to lose him
But he did not go alone
A part of our lives
Went with him,
The day God called him home
Dear God please
Take this message
To our love one up above,
Tell him how much we miss him
And give him all our love
Sadly missed by
Margaret, her children and grandchildren
